

KNOCKHALL PRIMARY NEWSLETTER

Dear Families

Knockhall Primary School are excited to share our new video with you. It celebrates our amazing children and showcases the work that the team do every day. We were lucky that the day was sunny which allowed us to be outside and show off the wonderful field and forest school. Thank you to everyone involved. A link to the film is below so please take a look.

During the filming day we also had a photographer, and we will be sharing these pictures with you over the next few weeks and months through our newsletter and on our website.

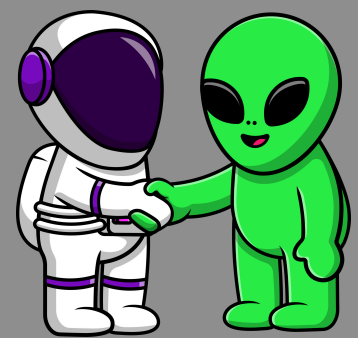

The second phase of our Pond and Allotment Area regeneration took place today with Mrs Butterfill and Mrs Gail supporting children and staff in a further tidy and sort out of the areas ready for the raised beds that will be arriving soon. We now have a comprehensive list of items that the PTFA will order using the donations from Bluewater and Ebbsfleet Development Cooperation. The areas are shaping up nicely and Mrs Dunsdon is looking forward to setting up a gardening club to maintain the areas once complete. Thank you to everyone involved so far.

We had a special visitor to the school this week. James Jefferson, who is a former student and author, shared one of his stories with the children. James led a special assembly, taught the children lots of interesting information about space and kindly donated some artwork for our new library. The children really enjoyed James visiting us and loved his new book! Thank you James!

We hope you enjoy your weekend. Miss Yiannadji and the Knockhall Team.

⋄HP were privileged to be visited by former student and now author James efferson today. James led a special assembly to our year 3 and 4 children. Thank you James! 📖👁️🎧🤖

Our School Values In Action

We would like to wish our Year 6 children the very best of luck in their SATs next week.

Throughout the year, they have demonstrated all 4 of our school values in preparation for next week.

We are sure they will continue to work hard and do their best. Well done Year 6!

OUT WITH STRANGER DANGER IN WITH CLEVER NEVER GOES

CLEVER NEVER GOES is the new campaign that teaches children how to stay safe from abduction whether they are outside or online.

It's the modern, child-friendly alternative to the out-dated and fundamentally flawed 'Stranger Danger' message. Rather than fearing the worst in everyone they don't know, Clever Never Goes helps children to recognise specific situations that are unsafe and gives them the tools to respond.

Our aim is for every primary school child to be taught Clever Never Goes. Already over 2,000 schools have downloaded our free lesson packs, and it is already working to keep children safe.
