

Nursery Term 1 All About Me

Big Bang

The children really enjoyed talking about themselves to get to know each other better. We talked about our likes and dislikes, using this to support our positive communication with each other.

Trip/ Visit

All About Me

Literacy

We will begin to explore a range of stories in different ways. We will listen to, watch and role play our favourite stories and discuss what we enjoyed about each one. We will use songs and rhymes to begin discussing sounds.

Mathematics

We will be looking at numbers up to five, shapes and patterns. We will use a range of activities, games and songs to become familiar with numbers, such as 5 little ducks, the shape monster games and will begin to learn the days of the week.

Understanding the World

We will begin to explore the world around us by learning about different families, cultures and traditions for children in our class. Throughout the term, we will also explore our new school, both in the EYFS areas, as well as by taking trips to the school library for story time.

Expressive Art and Design

We will be exploring a range of different media, we will use paints, chalks, pens and pencils to create works of art for our friends, family and teachers to enjoy.

Physical Development

We will look at how we can run, jump, dance and balance, both inside and outside. We will also be improving our fine motor skills by using tweezers, scissors and pencils to strengthen our grip as well as daily dough disco.
