

# KNOCKHALL PRIMARY NEWSLETTER

Dear Families

Welcome back and we hope you had a lovely half term break.

Thank you to TKS Magic who visited us for a magic show. TKS Magic is a TV celebrity after performing his magic skills on this year's Britain's Got Talent. What an absolute pleasure it was to have him join us. The children loved the show!

Fireman David Hopkins from Kent Fire Service joined us this week to talk to all the children at KHP about fire safety awareness. We would like to thank him for his time and supporting us to keep our community safe!

The children have spent time doing some gardening across the school. Hopefully, we will see some plants starting to grow over the next few weeks. The children worked hard to clear the weeds and tidy up our raised beds. Thank you everyone for your hard work.

Breakfast club continues to be a huge success. Please don't forget to book in and encourage your children to come along for FREE cereal and toast. This is a lovely way for your children to have a calm start to the day and it also gives them time to chat to their friends and check in with teachers and support staff.

Thank you to everyone who came to school in their own clothes and to those of you who provided a Father's Day gift donation. The PTFA will be selling gifts for Father's Day for £1 on Friday. Thank you to our PTFA for their continued hard work.

Have a lovely weekend  
Miss Yiannadji and the Knockhall Team.

## EYFS

In the nursery, as a part of our Big Bang Day, the children came dressed as what they want to be when they grow up.

We had firefighters, police officers and doctors who all explained that they can help to keep us safe. During the day, we had a talk with a fire fighter, and learned that if there is a fire, we 'get out, stay out, call 999'. We can't wait to keep learning about different professions this term!

Big Bang Day in Reception was out of this world 🚀🌟! The topic of 'Reach for the Stars' had a great introduction with a space day. The children had intergalactic passports and many tasks throughout the day, to mark the achievements star stickers were added to the passports. Children were excited to show off their costumes and the information they already know about space and the planets. Thank you for your support during this day, the children's costumes were fantastic and their enthusiasm was evident.

## KS1

Year 1 had an amazing Big Bang Day this week. We were treated to special pirate visitors who brought in lots of artefacts, told us lots of interesting facts about pirates and what it was like to live like a pirate. The children loved dressing up as pirates, giving themselves a silly pirate name, and making their own treasure map. We can't wait for all the exciting learning we will have over the term.

Year 2 had an amazing Big Bang Day to kick off our new topic, Busy Bugs! We had a great time learning all about minibeasts, creating our very own bug hotel and even designing our own unique minibeasts. To end the day, we watched a fascinating show by Sir David Attenborough and were inspired by the wonderful world of bugs

## UKS2

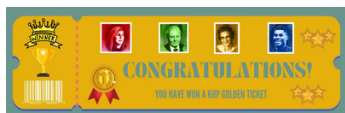

Year 6 celebrated their heritage as part of their 'Migration Big Bang Day'. Children wore traditional dress and brought in foods such as fried rice and plantain (Nigeria) and Gulab Jaman and Kesari (India). We would like to thank all of our families for helping to make the day such a success.

### Dear Families,

To ensure the safety of all our children, we kindly ask that parents accompany their KS1 children, to their designated lines in the morning, rather than allowing them to walk through the gates alone. Please use the correct gates for drop-off to help us manage the flow of children safely and efficiently. If allowing a KS1 child to walk alone, the KS1 gate is much closer to their class registration lines. Thank you for your cooperation in keeping our school a safe environment for everyone.

### Urgent Safety Reminder

Please do not mount the curb to drive around cars during drop-off and pick-up times. We understand the road can be very busy, and you may feel the need to get off quickly, but we cannot compromise children's safety. Many families walk to school, and it's crucial that we prioritise their and others' safety.

Thank you for your cooperation in keeping our school community safe.
