

KNOCKHALL PRIMARY NEWSLETTER

Dear Families

What an amazing Transition Day it has been! The children have thoroughly enjoyed spending time with their new teacher in their new classroom. Thank you to our families for your support with this change. We know there would have been plenty of conversations at home regarding new teachers and transitions. Your support is valued by the team at Knockhall.

Our Year 6 cohort have been busy visiting their new secondary schools and they have come back very excited. We have been and will continue to liaise with 27 different secondary schools who will be supporting our 3 classes from September. Teachers have visited the school, had telephone and email correspondence and all files will be sent over the summer. The next 2 weeks will include the Residential, Prom and Leavers Assembly. We also hope to have some lovely activities which will be financed by their Enterprise Week Business ventures. Don't forget to come along and buy from their stalls which will be set up on Monday at 3.20.

We have had some instances regarding online games being accessed at home. Children seem to be sharing admin rights which include passwords with friends and strangers. Can you please talk to your children about safe use of gaming sites as there have been issues with what they perceive is 'stealing' merchandise through the games. If a child has shared admin and passwords, it is very difficult to say that something has been stolen. The online world is complex, and children should be supervised when using tablets and phones to protect them.

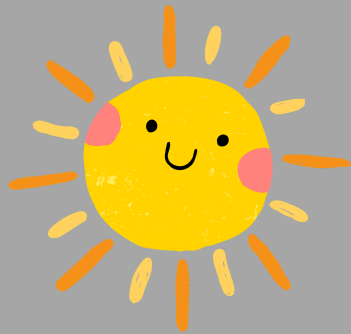

Next week you will receive an invite through Arbour to book in for an initial parent teacher meeting on either Thursday 4th or Friday 5th of September. This is an opportunity for you to visit your child's classroom and meet with the teacher at the beginning of the term. The teachers are looking forward to meeting you all and discussing your child's individual needs.

We hope that you have a lovely weekend

Miss Yiannadji and the Knockhall Team

EYFS

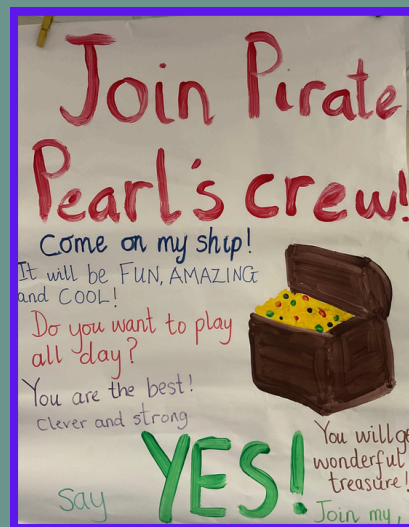

In the Nursery, we have continued to look at people who help us in line with our topic. This week our learning has been around people in school who can help us, with the knowledge that the children will be meeting their new teachers over the next few weeks. The children have shown eagerness to learn and are very excited to begin the next step in their learning journey.

What a hot and sunny week it has been. We have used this as an opportunity to support children's learning about how to be safe in the sun and how we can ensure we remain healthy whilst the weather is so hot. The children are really showing understanding about the need for drinking water and how this plays a role in a healthy lifestyle. The splash day was a great highlight to the learning about sun safety and we are so proud of how well the children responded on the day.

KS1

In year one, children have focused on a non-fiction writing outcome and the purpose is to write a persuasive advert/leaflet. We have used our theme for the term - 'Shiver me timbers' which is a pirate theme to create a poster. They have been learning about the features of a persuasive text and this week, the children have been planning their own persuasive leaflets. We are very excited and are looking forward to sharing the outcome!

LKS2

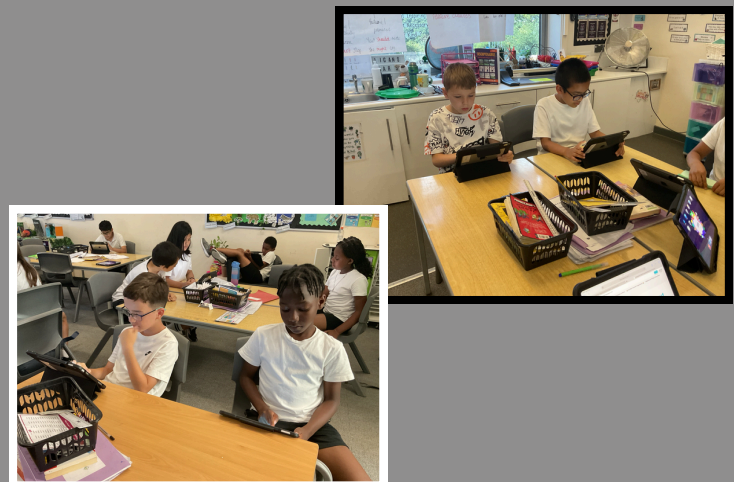

¡HOLA!

This week Year 3 have been engrossed in Viva España, learning about Spanish culture, food and lifestyle. Afterwards, they created amazing presentations to showcase their learning using Keynotes, blending their skills in IT with their knowledge of Spanish life.

UKS2

Year 5 have been busy this week designing their own bread creations in preparation for a fun and tasty baking session next week! From choosing flavours and shapes to thinking about ingredients and presentation, the children have been full of creativity and enthusiasm. We can't wait to see (and smell!) their delicious breads as they bring their ideas to life in the kitchen.

Who Has Received a **Golden Ticket** This Week!

Nursery- Stacie-Mae

Reception- Oluwafisayo, Anmol

Year 1- Mokolade, Max

Year 2 - Zahra, Oluwadarasimi

Year 3- Michael, Sharon, Nazir

Year 4-Darcy,Vrinda

Year 5 -Alexis, Zarah, Yasmin

Year 6- Reggie, Geethik, Hary

Sports Classes of the week

KS1- Falcons

KS2 - Woodpeckers

ATTENDANCE

Ducklings - 80%

Owlets - 92%

Cygnets - 94%

Kestrels -Sarah

Penguins-Lucca

Pelicans-Kile

Puffins-Amanda

Peacocks-Yashika

Parrots- Ade

Eagles- Krishika

We have several children with severe nut allergies who carry EpiPens in the school which means that we must be a NUT FREE environment. Can you please ensure that there are no NUTs in your child's lunch box or in their snack by checking all ingredients on any prepacked foods and spreads.
