

Year 2 - Summer 2

**Topic Overview:**

This term, children will learn about 'Busy Bugs'. We will be looking at significant people such as David Attenborough and what they have taught us about the animals on Earth.

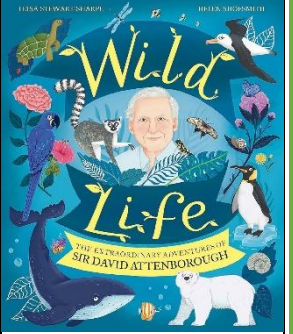

**Big Bang Day!**

Children will be invited to become explorers for the day, immersing themselves into the new topic. We will be researching, crafting, and having a great time!

**Educational visit:**

TBC

**Our Learning overview**

			Key Texts
Busy bugs	English	In our non-fiction unit we will be writing an entry for an Attenborough inspired documentary - an episode for Planter Earth 4, focusing on the information. For our fiction outcome we will be looking at writing in a 1 <sup>st</sup> person narrative of a walk through from a setting from David Attenborough's adventures - focusing on the setting.	 <p>Wild Life: The Extraordinary Adventures of Sir David Attenborough</p>
	Maths	This term we will be developing our 4 operations skills within the topic of Statistics. We will do this by looking at different ways we represent data. We will then move on to position and direction, looking at movement, turns and how to describe this. We will then look at recapping what we have taught throughout the year,	
	Science	This term we will not have a science focus but will be exploring our humanities topic more in depth.	
	History	This term, we will learn about significant individuals that have contributed to our knowledge of the natural world, such as, David Attenborough.	
	Art	In this unit, children will explore mark making using different lines. They will learn how to add tone and gradient using shading and how this can create a 3D effect.	
	PD/RE	In Personal Development, we look at physical health and mental wellbeing in preparation for moving on to year 3. RE this term we continue to explore the life of Muslims, looking at sacred festivals, celebrations and important dates in their calendar,	
	Music	This term, we are going to be looking at our Busy Bugs topics using Minibeasts. This topic contains repertoire linked to popular primary themes. Use the Topics as an exciting song bank to support and enhance learning right across the curriculum
