

Year 3 Term 6

Viva Espana

Big Bang

This term Big Bang Day, we would welcome the children to come dressed in Spanish flag colours yellow or red!

Viva Espana

English

We will be focusing on the novel Toro Toro by Michael Morpurgo. It is about a young boy growing up in Spain on a farm rearing bulls for the bullring. The children will write around the events that take place in the story.

Maths

The children will continue learning about time in particular hours and minutes and minutes and seconds. The children will then move on to understanding shape and statistics.

Geography

In this topic, the children will develop an understanding of the human and physical geographical features of Spain.

Art/DT

In this unit, children will create collages. They will continue to develop their knowledge of manipulating materials to create images, texture and effect. Children will develop their skills of material manipulation through exploration.

Music

The children will be learning basic skills in playing the Ukelele and should perform simple pieces with them. They will also be learning about different musical genres such as jazz, pop and reggae.

Computing

In this unit, the children will explore the Swift Playgrounds app and use different tools and buttons to create and modify characters and backgrounds.

Science

The children will be learning about plants. They will learn the requirements that plants need for growth and life. We will explore the functions of each part of a plant.

R.E/ P.E.

For this unit of work, the children will continue to learn in depth the ways of Christian life. including at home, in church and the wider community.

Personal Development

We will be continuing our unit of health and wellbeing. This will include keeping safe, growing and changing.
